

# POP CORN MACHINE

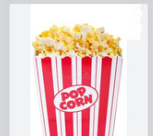

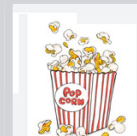

## POP6A-B (Comes with Trolley)

- Out Put: 1 Tray/2 Min
- Power: 1.35kw
- Voltage: 220v / 50Hz
- Dimension: 560mm x 417mm x 770mm

This new kind has better quality and more elegant shape, upgrade from former Common series, can attract more people's eyes at the first sight.

With the Popcorn machine cart, we upgraded a lot, we added two small smart wheels, then they can help the clients move the popcorn machine more easier and reliable, so everywhere your popcorn machines can stand, the small smart wheels has one brake with them, they stop the machine cart firmly where you want, we also use better wheel tyre.

## POP6A-C (Comes with Cart)

- Out Put: 1 Tray/2 Min
- Power: 1.4kw
- Voltage: 220v / 50Hz
- Dimension: 940mm x 500mm x 850mm
