

WATER PRESSURE & RICE WASHING MACHINE

Features :

- Rice washing machine be used for washing rice many other grain .
- High efficiency.
- All stainless steel body, washing by water-pressure
- Durable, easy-cleaning and operated.

X-10

- Material: Stainless Steel
- Product Size: 350 x 250 x 600mm
- Capacity: 10kg / times

X-15

- Material: Stainless Steel
- Product Size: 400 x 300 x 700mm
- Capacity: 15kg/times

X-25

- Material: Stainless Steel
- Product Size: 450 x 350 x 750mm
- Capacity: 25kg/times

X-35

- Material: Stainless Steel
- Product Size: 500 x 400 x 800mm
- Capacity: 35kg/times

X-50

- Material: Stainless Steel
- Product Size: 550 x 450 x 850mm
- Capacity: 50kg/time

X-75

- Material: Stainless Steel
- Product Size: 600 x 500 x 900mm
- Capacity: 75kg/times

X-100

- Material: Stainless Steel
- Product Size: 650 x 550 x 950mm
- Capacity: 100kg/times
